**Closed Out from the Bankrupt Stock of Hedlund Shoe Company, of Lynn, Mass.**

The Shoe Sale which we inaugurate tomorrow is entirely without parallel or precedent in the history of Washington shoe selling. It is brought about through the failure of the Hedlund Shoe Co., of Lynn, Mass., manufacturers of the finest grades of children's shoes which are produced in this country.

We bought from the Receiver's sale over two thousand (2,000) pairs of children's celebrated "TOE-ROOM" SHOES, a widely advertised brand of children's footwear which is noted for its comfort, as well as high quality and correct style. The name "Toe-Room" fitly describes these shoes, as they are fashioned by the most expert workmen along the natural lines of a child's feet, with broad toes, the most sensible footwear for growing children to wear.

"Toe-Room" Shoes possess unusual features that will recommend them to parents. They are made on the most improved process, the uppers being lasted down to the soles on the outside, and a narrow strip of welt stitched around the entire soles. Every pair is made with a lockstitch, which cannot rip. The "Toe-Room" is as flexible as a light turn-sole shoe, at the same time being made with a heavy extended sole.

"Toe-Room" Shoes are made of the finest quality and most expensive leathers obtainable, such as Gun-metal Calf, Surpass Kid, and Patent Colt, tipped and plain toes. With dull calf tops and white top combinations. C, D, and E widths.

These splendid shoes, which sell in the most exclusive shoe shops at \$2.00 and \$2.50 a pair, offered tomorrow at \$1.39 a pair.
